Users & Security Management Friday, October 25, 2019 11:30:08 AM - 12:30:08 PM 60 minutes Reports

Users & Security Management

Use this dashboard to manage users, groups, and roles, and to configure password policy settings and LDAP.

User Look Up

- Enter part of the user name.

Manage Users, Groups, Roles

 2

- There are **1** users (**0** managed by Active Directory).
- There are **5** groups (**0** managed by Active Directory).
- There are **22** roles.

Password Policy Settings

- Use the Configure Password Settings dashboard to edit any policies that you want to change.

Directory Services Settings

- Use the Directory Services dashboard to edit any LDAP settings to integrate Foglight with Active Directory.

- LDAP is not configured.

Foglight 添加用户 (5)

Navigation Expert View

Users & Security Management > User M... Friday, October 25, 2019 11:53:34 AM - 12:53:34 PM 60 minutes Reports

User Management

Select the corresponding tab to manage users, groups, or roles. You can create users internally or import them using LDAP. You can place a user in one or more groups. Assign roles to a user using the Groups tab.

Users Groups Roles

+ New User - Remove U

Name	Al
Administration	Administrator, Security
Alarms	All
Alarms	All
Cassandra	Administrator, Cassandra Administrator, Cassandra User
Databases	Administrator, Advanced Operator, Cartridge Developer, Das
Dependency Mapping	All
Development Tools	All

Previous Next Finish Cancel

视图说明：

- 1, 可选择一个视图, 这里选择了 Alarms 的 Alarms; 也可以都不选;
- 2, 单击 Finish;

Foglight 添加用户 (6)

视图说明：

The screenshot displays the Foglight User Management interface. The left sidebar contains a navigation menu with categories like Bookmarks, Homes, and Dashboards. The main content area is titled 'User Management' and includes tabs for 'Users', 'Groups', and 'Roles'. A table lists users with columns for Name, Lock, Password Expired, Force Password Change, Email, Groups, and Roles. A dialog box titled 'Make User Progress' is overlaid on the table, showing 'Users Saved' and an 'Ok' button. A blue arrow with the number '1' points to the 'Ok' button.

	Name ▲	Lock...	Password Expired	Force Password Change	Email	Groups	Roles
<input type="checkbox"/>	ChineseUser	-	-	-	unset	Belongs to 5 groups	Take on 10 roles
<input type="checkbox"/>	foglight					Belongs to 4 groups	Take on 10 roles

1, 单击 OK ;

Foglight 添加用户 (7)

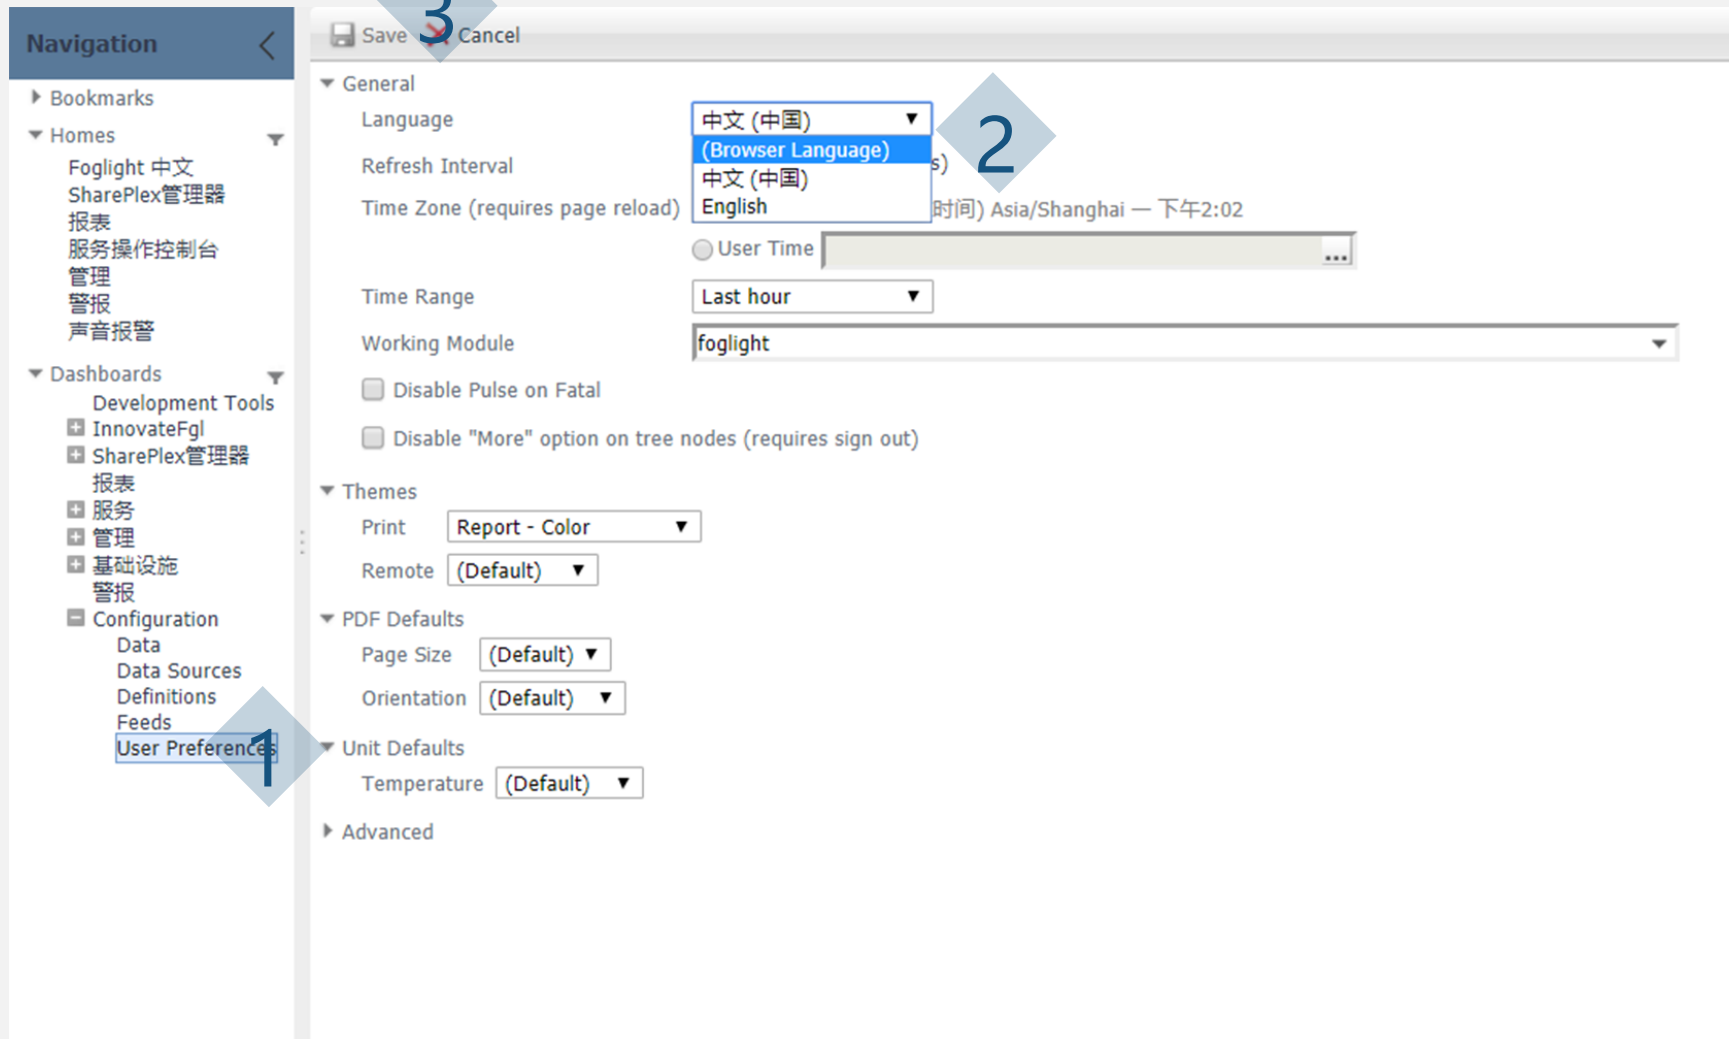

视图说明：

The screenshot displays the Foglight User Management interface. The left sidebar contains a navigation menu with categories like Bookmarks, Homes, and Dashboards. The main content area is titled 'User Management' and includes tabs for 'Users', 'Groups', and 'Roles'. A table lists users with columns for Name, Lock, Password Expired, Force Password Change, Email, Groups, and Roles. A dialog box titled 'Make User Progress' is overlaid on the table, showing 'Users Saved' and an 'Ok' button. A blue arrow points to the 'Ok' button, with the number '1' next to it.

	Name ▲	Lock...	Password Expired	Force Password Change	Email	Groups	Roles
<input type="checkbox"/>	ChineseUser	-	-	-	unset	Belongs to 5 groups	Take on 10 roles
<input type="checkbox"/>	foglight					Belongs to 4 groups	Take on 10 roles

1, 单击 OK ;

Foglight 修改用户属性

视图说明：

以所要修改的用户重新登录 Foglight ；

左侧导航 Dashboard -> Configuration -> User Preferences

1, 单击 User Preferences ；

2, 选择语言 或 其他属性 ；

3, 单击 Save ；
